Love in alignment with Free Will

Taught someone why people are how they are, the answer is Free Will. Free Will differentiates (makes us unique), and also can divide through limited perspectives. Love unifies and finds common ground within all people. Free Will directs each mind, and then each mind (though beliefs) directs actions. Think of a pizza. There are 12 slices. Each slice is a Free Will. There are 12 unique perspectives in this case. So people aren't logical, because Free Will isn't logical, and one person's Free Will directed mind will interpret situations differently than another's, because Free Will is inherently different. So Free Will does not always align.

But, you can add loving kindness in situations, to add Love which unifies. Empathy (to put yourself in another's shoes), and compassion, are the results of adding loving kindness. Humility is also the result, to listen to others and respond with Love. Free Will without Love exists due to ignorance, which people are born into as humans. But once awakened, the heart opens, and Love pours out, into actions of loving kindness toward all people. The key is to unite Love and Free Will, which then becomes Divine Will, where you become an instrument of God's Will. Love with Free Will still means to keep healthy boundaries (so don't be a doormat), but do you best in each situation to be loving. To love your neighbor as yourself, which is Love in alignment with Free Will, which is creating Heaven on Earth.

Regarding beliefs, it is best to drop all beliefs. Beliefs are created through unique perspectives through life, but each perspective is different, so it is best to drop beliefs because they limit conscious awareness of others. Replace judgement with discernment.
